Composite Average _____

Composite average is calculated by adding all four averages and dividing the total by 4.

To be eligible to qualify for the Rookie of the year award you must meet the following qualifications.

- Be your first year shooting UTYES/USAYESS/competition targets.
- You will need to register target at no less than four different UTYES team shoots or Virtual Leagues throughout the year.
- You will need to have registered a minimum of at least 700 Singles, 300 Skeet, 300 Sporting Clays.

Please provide written summary of your past year shooting, including the following items.

- Trophies and awards that you have earned over the past year.
- Please provide detail of each shoot you have attended.
- Who introduced you to shooting OR who inspires you to shoot and why.
- What did you enjoy most about your first year shooting.

Provide any photographs of you at a UTYES event that you would like to share.

Applications must be sent to attention UTYES @ info@utyess.org no later than April 25, 2024.
